**Date:** March 5, 2013

**To:** Honorable Chairwoman Rebeca Sosa  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

**Subject:** FY 2011-12 End-of-Year Supplemental Budget

Agenda Item No. 5(A)

**This item was amended at the February 12, 2013 meeting of the Finance Committee to correct the Public Housing and Community Development budget supplement amount to \$6.805 million from \$1.45 million and to adjust the corresponding appropriation schedule accordingly.**

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the attached supplemental budgets in accordance with the Home Rule Charter and Section 129.06 of the Florida Statutes. These amendments will align the County's FY 2011-12 Adopted Budget with actual expenditures.

## **Scope and Fiscal Impact/Funding Source**

Detailed below.

## **Background**

A supplemental budget is required by the Miami-Dade County Charter and State law when expenditures exceed budgeted appropriations. Supplemental budgets for various funds are needed to reflect either extraordinary or unplanned expenditures which occurred since the FY 2011-12 Budget was adopted in September 2011 or correct for the financial treatment of certain reorganizations.

The revisions incorporated in this supplemental budget include adjustments for federal, state, and other grants (i.e. Community Action and Human Services and Homeless Trust) and increased expenses due to higher than anticipated demand for services or contractual obligations (i.e. Miami-Dade Police Department). Some of the adjustments included in the supplemental budget are technical in nature such as the special revenue transfers required by Governmental Accounting Standards Board (GASB) Rule 54 and adjustments necessary to properly reflect the financial reorganization (Parks, Recreation and Open Spaces). The adjustments included in this item equal \$52.178 million, which is 1.2 percent of the total operating budget. These adjustments were taken into account during FY 2012-13 budget development.

## **Animal Services**

The Animal Services Department requires a supplemental budget in the amount of \$673,000 in Fund 030 Subfund 022 for the higher than anticipated expenses related to contracted veterinarians, drugs, and pet supplies. These expenditures are funded from higher than anticipated revenue from fees and fines.

## **Commission on Ethics and Public Trust**

The Commission on Ethics and Public Trust requires a supplemental budget in the amount of \$140,000 due to unrealized revenue in Fund SO 100, Subfund 108, Project 108001 (\$24,000) and for lower than anticipated attrition in Fund GF 010, Subfund 010 (\$106,000) and in Fund SO 100, Subfund 108 (\$10,000) to funding lobbyist training activities. Funding is provided from higher than anticipated Countywide General Fund carryover.

**Community Action and Human Services**

The Community Action and Human Services Department requires a supplemental budget in Fund SC 630 in the amount of \$1.929 million related to Weatherization ARRA projects in the Energy Division and miscellaneous administrative expenditures. Funding is provided through additional federal funding from Florida Department of Economic Opportunity (\$1.812 million) and revenue available in Fund SC 610 (\$117,000).

**County Public Hospital Sales Tax Fund -Public Health Trust**

County Health Care Sales tax receipts this fiscal year were \$17.6 million higher than budgeted. A supplemental budget is required to transfer these funds to the Public Health Trust (Fund SD 510 Subfund 510).

**Cultural Affairs**

Cultural Affairs (Fund SO 720, Subfund 721) requires a supplemental budget of \$20,000 as a result of a grant received from the National Endowment of the Arts (NEA) Chairman's Extraordinary Action grant from the Art Works category for Local Arts Agencies. This grant funding was awarded to Catalyst Media Training Lab., Inc., f/k/a Creative ED., Inc. as approved by the Board on December 6, 2011 through R-1033-11 to help local art journalists exhibit their work.

Cultural Affairs (Fund 125, Subfund 127) requires a supplemental budget of \$1.5 million for enhanced grant allocations provided to not-for-profit cultural organizations. These organizations had already obtained funding in a competitive process managed by the Department of Cultural Affairs. Higher than budgeted carryover revenues dedicated to the arts are available to support these additional grant expenditures.

Cultural Affairs (Fund SO 125, Subfund 130) also requires a General Fund amendment of \$334,000 to fund higher than budgeted personnel and operating expenditures associated with the management and operations of the Miami-Dade County Auditorium, Joseph Caleb Auditorium, and the African Heritage Cultural Arts centers.

**Economic Development Fund-Beacon Council**

Fund SO 120 Subfund 122 requires a supplemental budget of \$30,000 to reflect the transfer of higher than anticipated local business tax receipts to the Beacon Council pursuant to Section 8A-171.2(b) of the Code of Miami-Dade County.

**Elections**

The Elections Department requires a supplemental budget of \$204,000 in Fund SO 720 for voter education and poll worker training and recruitment funded from prior year grant revenue.

**Fire Rescue**

The Miami-Dade Fire Rescue Department requires a supplemental budget of \$4.481 million in the Fire Rescue District (Fund SF 011, Subfund 111) due to the delayed implementation of contractual bargaining agreements. The additional expenditures are fully covered by unbudgeted carryover in the district fund. Additionally, a supplement of \$510,000 is needed in Fund SF 011, Subfund 118 due to higher than anticipated health insurance costs for Lifeguards. These additional expenditures are fully covered by revenue available from savings in Air Rescue operations (Fund SF 011, Subfund 112).

In addition, the Emergency Management Fund (Fund SO 100, Subfund 111) requires a supplemental budget of \$75,000 to cover higher than anticipated radiological emergency preparedness services provided through the Florida Power and Light Radiology contract. Funding is provided from prior-year grant carryover.

**Information Technology**

The Information Technology Department requires a supplemental budget in GF Fund 060 in the amount of \$4.452 million for expenses related to prepayment of several software maintenance agreements, equipment purchases, and an increase in other pass-through expenses for large County infrastructure

projects such as the Overtown South project and the ongoing implementation of the Edge switch upgrade. These expenses are fully funded by chargeback revenues from County departments.

**Internal Services Department:**

The Internal Services Department requires a supplemental budget of \$134,000 for the Caleb Center Trust (Fund SO 100, Subfund 107, Project 107032) to cover additional expenses associated with facility renovation and improvements at the Caleb Center. Funding is provided from prior-year unallocated carryover.

**Parks, Recreation and Open Spaces**

The Parks, Recreation and Open Spaces Department requires a supplemental budget for intradepartmental transfers required to properly reflect the department's reorganization (\$8.825 million) and additional operating expenses of (\$1.732 million) in the Coastal Park and Marinas division, the landscape maintenance fund, and the Coastal Park and Marina Improvement Trust Fund. These expenses are covered by additional revenues transferred from the marinas operations and capital fund, and landscape special taxing districts. (GF 040, Subfund 001, 003, 005, 006 and SO 040, Subfund 004 and TF 600, Subfund 601 Project 608TPR).

**Police**

Miami-Dade Police Department requires budget supplements for contracted services provided to municipalities and to other County departments, primarily due to the delayed implementation of the collective bargaining agreements. Supplements are required for the Town of Miami Lakes (GF 030, Subfund 026, \$102,000), Town of Cutler Bay (GF 030, Subfund 046, \$131,000), Village of Palmetto Bay (GF 030 Subfund, 027, \$206,000), and for External Services (GF 030, Subfund 045, \$1.233 million) which includes off-duty, and services provided to Miami-Dade Aviation Department, Port of Miami, and the Jackson Health System. Funding is provided by municipalities and County departments.

The School Crossing Guard Trust Fund (Fund SO 110, Subfund 115) requires a supplement of \$702,000 for additional distributions to the Miami-Dade Police Department and other municipalities as a result of higher than anticipated parking ticket surcharge revenue.

Additionally, a supplemental budget of \$2.485 million is required (Fund SO 720, Subfund 720) as a result of additional JAG Recovery Grants, and other miscellaneous grant funds received throughout the fiscal year to support various police activities such as educational events addressing violence (including gun violence), personal awareness, and safety and the purchase of mission critical investigative and safety equipment.

As result of higher than anticipated departmental savings, a transfer of \$1.7 million from GF 010, Subfund 010 will be made into the Vehicle Replacement Trust Fund (Fund GF 030, Subfund 001) to help offset planned fleet replacement purchases.

**Public Housing and Community Development:**

The Public Housing and Community Development Department requires a supplemental budget of \$6.805 million to its Contract Administration Fund as a result of additional grant funding received from the United States Department of Housing and Urban Development for housing assistance payments.

**Tourist Taxes**

A supplemental budget is required to authorize additional transfer of revenues pursuant to governing ordinances and State Statutes of \$2.368 million for the Tourist Development Tax (TDT) (Fund ST 150, Subfund 151), \$1.184 million for the Professional Sports Franchise Facility Tax (PSFFT) (Fund ST 150, Subfund 154), and \$1.167 million from the Tourist Development Surtax (TDS) (Fund 150, Subfund 152). Per State Statute, revenues from tourist taxes are budgeted at 95 percent. This supplemental budget distributes any additional revenues collected to the Greater Miami Convention and Visitors Bureau, the Department of Cultural Affairs, Miami-Dade County for administrative costs, debt service, and the debt service shortfall reserve as required by Code and other legislation. In addition, pursuant

to the 1996 Interlocal Agreement 2004 amendment with the City of Miami Beach, a distribution of \$552,500 to the City of Miami Beach.

### **Cultural Programs**

An adjustment is required to reflect additional revenues (\$47,000) in Fund GF 030, Subfund 033, Project 033004 (\$11,000) and Project 033002 (\$36,000) from History Miami and the Miami Art Museum, respectively, for County services received by the museums during FY 2011-12.

### **Operating Budget Technical Adjustments**

#### **GASB 54 Adjustments**

To complete the County's compliance with GASB Rule 54 requirements that changed the definition of "special revenue fund", activities in (SO 100 Subfund 104 Project 104138 (\$109,322), SO 100 Subfund 104 Project 104126 (\$10,577), SO 100 Subfund 104 Project 104122 (\$7,000), and SO 100, Subfund 104, Project 104121 (\$142,940) will be transferred to the appropriate General Fund account.

#### **Additional Adjustments**

An adjustment is required to correct a scrivener's error in the adopted appropriation schedule for SO Fund 100, Subfund 109, associated with Lease Sublease Agreement which did not include the carryover (\$2.096 million) and rental income (\$4.3 million) revenues. In addition, when the Emergency Management function was merged in to the Miami-Dade Fire Rescue Department, the remaining fund balance in Fund GF 030 Subfund 071 was inadvertently not included in the transfer of funds to the department. Therefore, by way of this item, the balance in the fund (\$160,394) will be transferred into SF 011, Subfund 122.

### **Capital Budget Adjustments**

The Park, Recreation and Open Spaces Parking Technology Project 931080 was marked for completion in the FY 2011-12 Adopted Budget and Multi-Year Plan however, the project was not completed in FY 2011-12 and requires expenditure authority of \$196,000. The project is expected to be completed in FY 2012-13.

A number of technical adjustments are made to the ordinance schedules to provide for an arbitrage payment (Fund 206, Subfund 2P6, Project 206701), a consolidation of debt services schedules as a result of the refunding of the Public Service Tax UMSA bonds, Series 1999 and 2002 and the use of \$1.398 million of unallocated QNIP interest to pay debt service obligations (Project 208725).

Capital Asset Acquisition Bond Series 2010 (CB 362, Subfunds 006, 007 and 008) requires a technical adjustment to reflect increased costs in Causeway Toll System Upgrade Project 605220 of \$1.832 million (\$141,000 in FY 2011-12 and \$1.619 million for future years) and the Venetian Bridge Design Project 607640 of \$25,000. These expenses were funded from savings in the Venetian Bridge Rehabilitation Project 605860 (\$1.237 million) and the Rickenbacker Causeway Shoreline and Roadway Protection Project 607970 (\$620,000).

The Capital Outlay Reserve ordinance schedule needs to be corrected to include the Martin Luther King Facility Build-Out Improvement Project debt service payment (\$1.294 million) associated with Capital Asset Acquisition Bond Series 2002A which was inadvertently omitted from the ordinance schedule. The total budget remains the same. In addition, the appropriation schedules for the Capital Asset 2011 A and B Special Obligations (Fund CB 365, Subfunds 005 and 006) and the Ballpark Project Convention Development Tax and Professional Sports Tax (Fund CB 365, Subfunds 001, 002, 003 and 004) projects were erroneously combined within the ordinance schedule resulting in the partial display of each project. Lastly, the Fire Department Ultra High Frequency (UHF) System Replacement 1 and 2 Project 3726670 (CB 362, Subfund 003) was reflected correctly in the adopted budget documents, however, the ordinance schedule did not properly reflect the total project cost. The new schedules are incorporated as part of this item.

Supplemental budgets are required in the following debt service projects (Fund 292 Subfunds 2L6 and 2L8) Project 298501 for \$498,000, Project 298503 for \$141,000, and Project 292600 for \$9,000 due to a miscalculation of principal and interest during the 2011 restructure of the Sunshine State loans. Funding is provided from the Capital Outlay Reserve and Parks, Recreation and Open Spaces Project 367030.

**Budget Line Item Transaction Appropriations**

Miami-Dade County Ordinance 07-45 requires the disclosure of line item expenditures that exceeded budgeted allocation and the proper line item adjustments based on pre-established criteria. No transactions of this type had occurred at the time we reported this information to the Board pursuant to the date established in the ordinance. In general, expenditure transactions beyond the stipulated line item budget are likely to occur in the last quarter of the year, when the majority of overdue transactions are posted in anticipation of the year-end closeout.

Attachment A lists all the transactions that require Board approval for the re-appropriation of budget as a result of exceeding the ten percent threshold and/or the movement of personnel expenditures to other line item categories. In addition, Attachment B lists in detail the department line item appropriations that were administratively approved to reflect the proper expenditure categorization and did not exceed the ten percent threshold. Both attachments detail the department name, the fund type where the over expenditure occurred, the spending category, the total budget for the department, the amount of the adjustment(s), the percent of the budget it represents, the spending category where the re-appropriation will occur, and a description of the adjustment. Through the approval of this item, the Board authorizes the Office of Management and Budget to process all budget transactions required to execute the year-end amendments/supplements.
